

# List & Tasting Notes

*Welcome to the 8th annual Spa Valley Railway/ West Kent CAMRA  
Beer & Cider Festival!*

*Every October for the past 7 years we have held this increasingly popular event, attracting lovers of good drink and vintage rail to Tunbridge Wells, Groombridge & Eridge.*

*Hopefully many of you will be returning visitors, but here's a brief outline for those who aren't.*

*The festival has two components- beer and trains. You can partake in either or both. The beer festival is FREE. You just need to 'rent' a glass (which you can keep as a souvenir) and buy some drink tokens. Beer and cider is available in the Engine Shed in Tunbridge Wells, on the trains and at Groombridge and Eridge stations. To travel on the trains you need to buy a ticket from the station ticket offices. That's it. Have fun!*
